Hi Carla,

Wow, congratulations to me! I am so happy! Thank you so much for this exciting news. I wonder how I got picked? It must be because I am so nice, smart and pretty.

Here are my answers:

1. Linda Smith, 22 years old from California. Single, beautiful and intelligent. My IQ is 172. My occupation is working in a skating rink as the Zamboni driver and I make \$15 an hour plus tips. My home address is 123 Fake Street in Los Angeles. Do you like my name? It's really sexy and exotic with the "n" instead of the "m". I like it too, but it was weird when I was younger because

Carla,

I'm sorry but I don't understand you.

What don't I understand? I do have a

job. I am a Zamboni driver at the

local skating rink in my town.

Before I became the Zamboni driver

I was a cashier at the local grocery

store, but the people at the store kept

firing me even though I'm really nice

and smart. Anyway, I think I am

eligible. It is really unfair that you

are not giving me my great prize

Dear Ms. Morrison,

Thank you for your email.

I have all of my ID cards here for your review. I am excited to see the transfer of the funds into my account. I am going to be very busy with my family, so I will be unable to meet with you in person to complete the transfer. However, I will be able to provide you with all of my personal information and proof of identity. I have attached my driver's license and Social Security card for your review.

I hope this information is sufficient. Please let me know if any additional information is required.

Sincerely,

Linda Smith

Hi Carla,

So happy that you found my ID card. I'm a little concerned that you would send it in an attachment because that is not safe at all. I'm going to have to ask you to send it again in the email as I don't have the ability to open an attachment.

Please let me know if you have any questions.

Thank you,

Linda Smith
